President's Report

Hi everyone,

Welcome to the first newsletter for the year. I hope everyone had a good Christmas/New Year and is looking forward to what 2016 may bring us. We have a variety of events planned for the coming months including the Trivia night, breakfast get together at the Farmers Market, Greatest Shave event and our annual Show 'n' Shine for Easter in the Mall.

I hope you can make time to come along and join in.

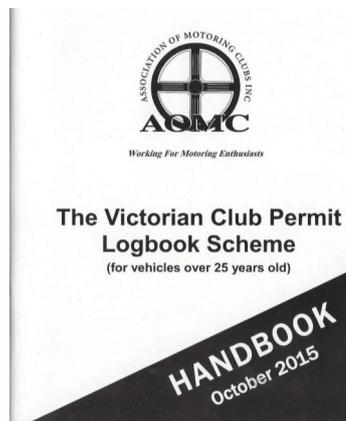

Regards

Jeff McKeon

Club meetings
are held once a
month
1st Monday of the
month 7pm.

The CPS handbook has been updated for 2015 with copies released in October. This revised issue contains many changes to the previous version. It is highly recommended reading for all owners (and prospective owners) of CPS vehicles.

Keep a copy in your CPS vehicle !!

New copies of the Victorian Club Permit Scheme Handbook are available at club meetings and events for \$5. If you are on the club permit scheme, you should be keeping a copy of the handbook in your CPS vehicle.

Editor's Report

Hi all and welcome to the this year's first newsletter! Wondering how many of our members can relate to the above picture?! I know people who have been guilty of it in the past, not mentioning any names. I am always looking for member contributions for the newsletter. It can be as simple as a funny picture as above, recipes, classifieds (free advertising for wanted to buy/sell/swap), 'OLD SCHOOL' column and/or be the face of our member profiles. Best contact for the newsletter is:

trussell@bigpond.com or the club phone 0429 908 160

Life Membership

At the AGM (November 9th, 2015) three founding members of the Mildura Muscle Car Club were presented with Certificates of Life Membership, in appreciation of their work in creating the Mildura Muscle Car Club.

On 19th October 2007 the Club was officially incorporated and these three people led the Club for the first five years of its life. We are grateful for their foresight, skills and efforts and hope they are proud of the Club as it today, eight years hence. Pictured below with current President, Jeff McKeon

Boys and Toy Cars Logic Puzzle

Three boys were playing together in the park with three toy cars. After a while, the boys decided to leave their cars in pile so they could go and play on the swings. Andy, the park caretaker, seeing the unattended toys, decided to pick them up and find their owners. He asked a nearby lady if she knew who the cars belonged to. "Well," said the lady, "I do know that they belong to those three young lads on the swings. I don't remember all of the details, but I will tell you what I do know and perhaps you can figure it out."

Andy wrote down the following notes, then sat down and tried to figure out which toy car belonged to each boy so he could surprise them by returning each toy to the correct owner.

1. The boy named Bob, who did not bring the green car to the park, is younger than Joe.
2. The oldest boy brought an orange car to the park.
3. The boy who brought the blue car is not named Fred.
4. Fred is the 2nd oldest boy.

Can you help Andy by figuring out which boy brought which car? Can you also figure out how old each boy is? Use the chart below to help make your deductions. Put an "X" in the grids that are false. Put a dot or a checkmark in each grid that is true.

		Age			Car Color

Kaye's Project Car

This is Kaye's car, not a lot of physical input by her but a lot of verbal input. Started out as a no motor, no gear box, green car. Many hours of thought by Kaye kept me busy; car now has V8, auto, collapsible steering column, 8inch diff and four wheel disc. A month or so and it should be on the road, unless some more verbal input comes along.

Saturday 31st & Sunday 1st October/November - Broken Hill

Our road trip to Broken Hill Show 'N' Shine.

Pam and I met the other 9 cars at the Curlwaa truck stop, and off we went up the road to Broken Hill dodging road kill aplenty. A stop at the half way house for a freshen up as the temperature was climbing fairly rapidly. On arrival we checked into the motel where Larry and Maria's HX decided it had had enough and started to boil, luckily it was only a bit of air trapped somewhere in its cooling system and was an easy fix (and had no more problems for the rest of the trip). By then it was lunch time so we went out to Silverton caravan park for steak sangas, or fish and chips, then to the pub for a well earned beer or two! We then went to the lookout where Mad Max was filmed and back into Broken Hill to park the car for the night and enjoy some more beers and a swim in the pool. Dinner had been booked at the Palace hotel, this place is a work of art, well worth a look, and a good feed too. When the sun came up Sunday morn it looked like it would burn a hole in us; as the car show was in the middle of the trotting track. We settled under the shade tent and were enjoying the cars when the wind sprung up and a cool change came over and blew us away shade tent and all. Things got a bit serious weather wise so an executive decision was made to have a Macca's lunch and head home. Pam and I had a great weekend with a great bunch of people well done to all for another well organised event.

Cheers Horrie

Broken Hill Meguiar's rep and MMCC member, Gavin Farquhar, donated some products (as pictured left) to the Club.

CHRISTMAS PARTY!

We had a first class bbq! Followed by excellent sweets by Natasha! The kids occupied themselves by creating, colouring and making Christmas cards. Some of their work was displayed on the notice board. There was almost as many muscle cars, as there was Christmas scenes. Santa arrived after hitching a ride with the Gol Gol fire service.

Saturday December 12th - Club Christmas Party @ Buronga

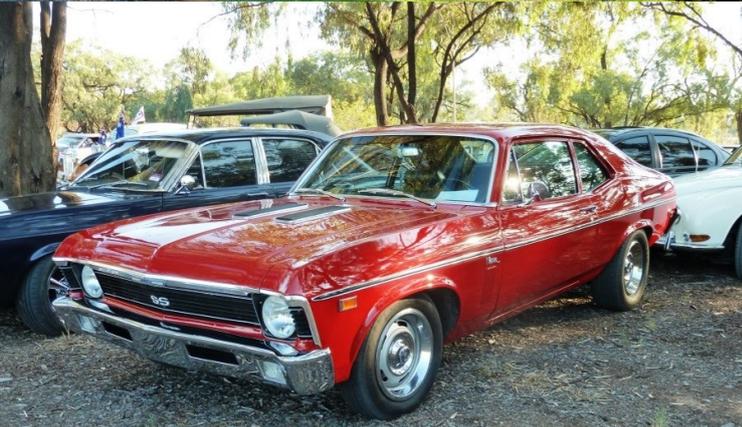

Presents were distributed to the needy. There were lots of nice cars, that we haven't seen before

We partied till 9pm, then went off to cruise the Christmas lights. Afterwards we met for a coffee at Deakin Ave Macca's, where we finished off and enjoyable evening.

Australia Day Breakfast at the Buronga Wetlands. We had just over 30 members and not sure of the final count but the biggest turn out yet.

Extract from page 7 of the Victorian Club Permit Scheme states; "If you change your mailing address you will need to advise VicRoads for BOTH your fully registered vehicle and the Club Permit vehicle as these are on separate databases. If you don't advise of the CPS vehicle you will NOT receive a renewal form at your new mailing address.

Requirements for signing Club Permit Scheme (CPS) Forms.

Effective 17/11/2014

VICROADS require clubs to maintain up to date CPS info; to ensure our club maintains accurate records of club permit vehicles the following procedure has been implemented.

The club member must:

Present their club permit paperwork to one of our authorised signatories (preferably at a monthly club meeting) and provide a photo of the car including the number plate. The photo is to be supplied by the owner and can be emailed to the signatory prior to having the form signed or by presenting a print or transferring by phone at the time of signing.

The club Member must also present their current Membership card at the time of signing.

The CPS signatory must:

Ensure a photo of the car has been presented and the licence plate is legible. Then take a photo of the applicant's membership card prior to signing the permit forms to prove the member is a current financial member of the MMCC. Once completed the signatory will then stamp, date and sign the paperwork as required. The signatory will then forward the photos to the head signatory for processing and filing.
