President's Report

Its that time for another newsletter, the club is still going strong and growing with about 190 odd members. There has been good turn outs at events; a thank you to Tracy for organizing the dinner meeting with a turn out of 72 people most of which were members. The AGM will not be far away (to be held on the 6th October) so have a think about who you will vote in. All positions will be up for grabs. Please keep those log books up to date when you are out driving, after midnight is another entry for those in Victoria. People wanting to know more information on NSW club rego can contact myself.

Cheers Steven Pollesel

Editor's Report

Thank you to everyone again for their input into this newsletter, it is much appreciated. All members are invited and encouraged to make contributions to the newsletter. Contributions are due by 20th October at the very latest, but if you can get them in earlier then that will make my life a lot easier! Please send all items to trussell@bigpond.com

Hope to hear from you all soon!

Happy driving!

Tracy Russell

CLUB REGO NEWS

VICTORIAN CLUB PERMIT SCHEME (CPS)

FAQ Question 4- Can a learner driver operate a CPS vehicle ?

A. Yes, subject to the normal rules for learner drivers.

FAQ Question 10- May I carry a load of parts in my CPS vehicle to sell at a Swap Meet?

A. No. CPS vehicles must not be used for carrying goods for hire or for personal or business gain.

Vicroads will soon require Clubs to hold up to date photos of CPS vehicles.

Victorian Club Permit renewals can be signed by Ryan Russell ph 0417 478 595 or Damien Martin ph 0427 212 367, please ring to organize a time and place for signing.

NSW CLUB REGO

NSW club permit forms and further information can be obtained from Steve Polloesel ph 0427 415 161 or Robert Daymond ph 0428 276 440.

Peter Brock Truck- 9 & 10th May

The Peter Brock truck came to town and traded for two days with support from the Mildura Muscle Car Club; it was able to trade from Autobarn carpark. We were able to display a couple of Brock cars as shown in photos. The club was donated memorabilia to use in raffles/prizes etc, for helping make it happen (organizing and advertising). Numerous Peter Brock items were up for sale including, t-shirts, books, posters, stubby holders, key rings, racing suits etc.

Old School- Clue 2
It is a Holden.

Gol Gol School Fair—Sunday 4th May

7 cars attended the Gol Gol public school country fair, held on Sunday 4th May. If you go to an event we would love for you to take photos to share, for the club newsletter and also on Facebook.

Deuschfest—Saturday 10th May

It was a busy weekend for most, with 3 club displays on. The Deuschfest at the Trinity Lutheran school was attended by 6 club cars; above is Horrie's Torana and a snap of the other club cars. There was plenty to do at the Deuschfest with displays by the Vintage Car Club as well; the German beer garden and many stalls to wander around.

Mother's Day Classic —Sunday 11th May

Old School- Clue 3
No it is not an A9X, but getting warm.

We had to have our cars down at the Sound Shell early on Mother's Day (7.30am!) for the Mother's Day Classic display. The theme of the day was pink to raise funds and awareness for breast cancer research; it was great to see the pink cars within the club and new members attending too!

Suicide prevention charity basketball match- Mildura Heat Saturday May 31st

At a club meeting it was decided that the club would donate \$200, to the Mildura Heat teams charity basketball match for suicide prevention and awareness. We were listed in the Mildura Heat program as sponsors and over the PA . Our donation was \$150 cash and \$50 of Peter Brock merchandise, 2 t-shirts, a coffee mug, key ring, roll of 9 posters, and a stubby holder, all bought from the Peter Brock truck. Pictured is one of the winners; Tre Kirkpatrick who won \$25 from getting a goal in from halfway!!

Tonight at the Toyota Hothouse the Azzco Engineering Lady Heat and the On Job Training Mildura Heat will be taking part in games against the Camberwell Dragons to highlight the growing issue of suicide which has become the leading cause of death of young Australian's between the ages of 15 - 44 and has now unfortunately reached a ten year peak in this country. This equates to 7 suicide deaths each day in Australia. We would sincerely like to thank all the local Mildura community who have donated money to suicide prevention Australia and to all the families and businesses who have generously donated prizes, food and gifts that will assist with our raffle, hot dog stall and apparel sales tonight. We would also like to welcome everyone to the Sandbar tomorrow at 2pm for a massive memorabilia auction, raffles and karma keg.

A special thank you to Lockstar Homes, York Glass and Myo Sports for their kind sponsorship of the special playing tops that our two teams will be wearing tonight.

The Mildura Basketball Association is not alone in being affected by suicide and tonight we would especially like to remember the wonderful people we have lost and celebrate their lives in a really positive environment. Once again thank you to all for your support.

Ang Wall
 Azzco Engineering Lady Heat Coach.

And a huge Thank you to the following Businesses and Supporters of this Event:

- Gol Gol automotive
- Andrew Peace Wines
- Collingwood Football Club
- Richmond Football Club
- Essendon Football Club
- Sydney Football Club

And all those who donated via our Facebook link

TOYOTA HOTHOUSE

Riverland All Cars Day- Sunday 18th May

Ten cars went to the Barmera car show, we met up at the old weighbridge at Merbein South and headed off to Barmera for the day. The day was a bit over cast and we were hoping for no rain. We had a stop at the Yamba roadhouse for a stretch and a drink with a small bite to eat. At about 15 kms from Barmera it began to rain; it wasn't much but enough to have to get the chamois out and dry off the cars when we arrived. The day turned out to be great and I am sure everybody who went enjoyed themselves; we managed to pick up a trophy and made the day even better.

Motor Mania- Saturday 14th June

We met at Nowingi Place at 7.30am on a cold and foggy morning 14th June; at 8am we were at Mildura Senior College Oval and parked in our allotted area. 28 Club cars attended what turned out to be a good show. About 150 cars in all, including 2 of Jim Richards race cars, the Gulf Western blown LS2 burnout ute and numerous other notable vehicles. Five MMCC members took out trophies;

Brenden Liddle-HG Monaro-Best Australian Muscle .

Jason Milner-HQ GTS-Real Restoration

Nick Gray-VK Calais-Best Australian Classic

Warren Colley-HR sedan-Best Interior

Glen Newsome-Best Vintage Bike

Alex Nichol with the Hillman Imp won our Club lucky draw a \$50 Rare Spares voucher.

The event was bigger than last year with lots of cars we haven't seen before, some having travelled fair distances to be here.

Thanks to everyone for their pictures of the day.

Old School-

That's right a Sunbird (Torana)! Opel motor with Zenith twin barrel double pumper carb!

Car Trial- Saturday 12th July

Great day with no pressure to finish; 2 1/2 to 3 hours drive with some testing questions. We were impressed with the lunch venue (Irymple pub); great food and helpful staff. We were offered a microphone, we should have accepted Thanks to the organisers Shane & Sherri well done & well organized.

- 1st Bradshaw family
- 2nd Scase family
- 3rd Andrew & Carolyn Smith visitors
- Last Rod & Kaye Smith

Total of 20 cars (most on club rego) 63 people.

Chris Booth

ULX 110- Monday 7th July, 2014 Presentation at the EDGE

Sergei from ULX 110 came to Mildura to tell us about the products his company has to offer. The products are available from Angelo at AUTOPRO MILDURA. Everyone seemed impressed with Sergei's knowledge and evidence to back his product. Nick Gray was the winner of ULX 110 oil of his choice that was donated to the Mildura Muscle Car Club.

Why Use ULX110?

ULX110 is one of the finest petroleum based motor oil available. What makes ULX110 different to any other commercially available motor oil on the market is a proprietary additive package that makes ULX110 out perform all other motor oil on the market today.

CLUB CARS IN JULY STREET MACHINE

The 2014 Van Nationals were held in Mildura over the Easter long weekend. Horrie's LX Torana hatchback with original hatch hutch, Terry's HZ sandman and Wayne's chopped HQ which attracted a lot of interest, were pictured in July's edition of Street Machine. Other cars not shown in picture were behind the marquee!
